## Patient Portal User Navigation Instructions

Once Bruckerhoff Internal Medicine Associates staff member activates your Patient Portal account, you will receive an email with your User ID and Temporary Password.

**NOTE:** You will have 48 hours to activate your portal

Make note of your username and password, as you will need to enter them *exactly* (uppercase and lowercase) as they appear to login.

This email also provides the internet link to our Patient Portal. You may click the first link, copy the second into your browser, or visit our website at <https://www.bimadr.com> click asterisk *at* the top right, then patient portal.

This email also provides the internet link to our Patient Portal. <https://health.healow.com/BIMA>

### Bruckerhoff Internal Medicine Associates

#### We have exciting news regarding your health care!

As we continue in our efforts to provide you, our patients, with the highest quality of care, we want to ensure that you are involved in the maintenance and improvement of your health.

To that end, we are proud to announce that our practice now offers you the opportunity to use the power of the Web to track all aspects of your health care throughout our office. The Patient Portal enables our patients to communicate with our practice easily, safely, and securely over the Internet.

**My Devices:** if you use healow, click here to show what devices it is installed on and retrieve your PIN if you forget it.

## Keep Your Data Safe & Use Your Portal Often

Each patient will have an individual Patient Portal. Families may choose to set up a single password for each account, but an individual username must be unique to each patient.

All portal information and communication are directly linked to your medical record in the practice, so requires each patient account to be unique.

Patients can easily manage multiple accounts by downloading the healow app and linking all family members under an easy to manage group account.

Please always keep your login credentials private and in a safe location

Phone: 817-755-1005

Fax: 817-755-8499

[Bimadr.com](http://Bimadr.com)

We strongly encourage all patients to set up and use their personal Patient Portal. Your portal opens communication between you and our providers and staff, without the need for a phone call or office visit.

Manage your health information, request refills, referrals, and appointments, track your health, and review test results from the convenience of your own home- at any hour of the day!

Because the portal securely stores your personal health information, login and view your medical records anywhere on your mobile device, to share during specialist visits or hospitalizations.

Call your provider's office with any questions regarding your portal.

**NOTE: If you forget your username or password, you can reset it yourself from the login screen, using the "Trouble logging in" link or call the office to have it reset 817-755-1005**
